

Our courses in the windsurf school

Thanks to the steady wind conditions, you can improve your sailing a lot. Having been in windsurfing business for many years, we want to make it as easy as possible for you. You choose between small group lessons or 1 to 1 private coaching.

A video-coaching session helps to recognize and correct your mistakes. You maybe surprised how fast you improve.

As a member of the international German Windsurf school association VDWS we offer a complete beginner course, which includes the international basic-windsurf-certificate.

Our special beginner equipment is designed for easy learning .
